

Appendix 2

Braintcroft Academy will continue to work alongside Brent Local Authority to prioritise the wellbeing of all of our students, in accordance with the local priorities identified by the Brent Local Children's Safeguarding Board.

Research into the number and reasons for referrals to the Brent Family Front Door identified four significant areas of concern which have the largest detrimental impact on the safety and wellbeing of Brent's children.

These four areas were identified as the Local Children's Safeguarding Board's priorities and will remain the priorities for the Board in 2018-19:

- **Domestic Abuse**
- **Neglect**
- **Child Sexual Abuse (Including Child Sexual Exploitation)**
- **Child & Parental Mental Ill Health**

All staff will be trained with a focus on these key local issues to enable the most appropriate support to be put in place for those who may be vulnerable within our academy and community, working with all agencies as appropriate. 18 members of staff have already been trained as Mental Health First Aiders and more will receive this during the academic year.
