A MESSAGE FROM OUR BRAINTCROFT SCHOOL COUNCILLORS

Happy Teacher's Appreciation Week

Teachers play a big role in shaping the minds of young children. They inspire, motivate and encourage students to think out of the box, to learn what is right from wrong, to speak their minds and to use what they learn in school to help change their lives and the lives of others. Teachers also play the role of parents to many of their students. They get to spend a lot of time with them and know and understand their needs. It is important that teachers, students and our parents have a good relationship and an open line of communication to ensure that we remain functional as children.

This week we would like to say thank you to our teachers and staff at Braintcroft E-Act Primary Academy. Our teachers who work hard with us and levitate us right to the end, our sincere gratitude to you all. Many of us could not have matured in the way we do without your input. A big thank you to our class teachers and teaching assistants for guiding us daily with our academic studies and through personal matters.

Throughout quarantine you have inspired us to think ahead and motivated us with your astonishing energy and determination, to help us achieve our goals. The hard work that you have put in -is extra-ordinary and you are a part of the reason why we strive successfully in our learning and school lives. We appreciate your hard work and tolerance.

HAPPY TEACHER'S DAY TO ALL OUR WONDERFUL TEACHERS AND LEADERS AT BRAINTCROFT.

Thank you for connecting on class DOJO and for uploading work.

Congratulations to Coral class for connecting all 30 pupils
