Another week of fantastic work from our amazing SUPER STARS from Nursery to Year 6. You are AMAZING!

Preparing for September.

You will agree that a lot of our teaching and learning time was lost this year. We are hoping that with the easing of the lockdown and reduce of Covid-19 risks, we will be opening our doors to all our students in September.

We are now working very hard on plans for a new and exciting school curriculum which will also recognise children's recent life experiences as a result of the Covid-19 pandemic.

We are hoping to say our goodbyes to Year 6 students virtually, as they get ready for a new path in September.

We are also considering having two weeks of Summer school for year 5 students who are now our next exam group but will keep parents informed.

Year 2 and Year 5 children are also back in school

Mon & Tue Year 5 and 6 8:45am - 2:45pm at Warren Road gate

Mon & Tue Reception 9am - 2:30pm at Crest Road gate

Thurs & Fri Year 1 and Year 2 8:45am - 2:45pm at Crest Road

Thurs & Fri Nursery 9am - 12pm at Warren Road

Children who are invited by Ms Mills should still turn up at their given time.

Easing of lockdown restrictions: Prime Minister Boris Johnson has set out further changes to lockdown measures to allow people to get back into their regular and normal routines. As a school, we are following government guidelines to keep our staff and students safe. We are also aware that being in school provide a safe and nurturing environment and for such reason, we have been accepting children in school from additional year groups. We have now invited Nursery, Reception, Year 1, Year 2, Year 5 and Year 6 children (as well as others invited in by Ms Mills). We are seeing an increase in numbers weekly with lots of enthusiasm, as we respond positively to questions and expressions of their feelings after the lockdown.

We know that there are clear benefits for children's education and mental health—not to mention their parents' well-being when they are in school. So well done to those brave children who are back with us now.

Such pleasure to have Year 1 and Year 2 children in school.

Question of the week?

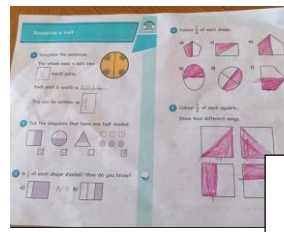

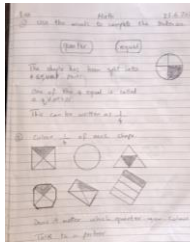

Is your child entitled to Free School Meals? Ask a member of staff if you are unsure.
