## STARS OF THE WEEK

### THANK YOU FOR BEING SO GREAT THROUGHOUT THIS CHALLENGING YEAR.

This year has been like no other. We had to experience some of the greatest changes and challenges together as a school community. We had many great achievements as well as missed out on many planned activities because of COVID-19. Year 6 missed out on their long awaited SATs, Year 2 children lost that SATs moment also but what could we do? Nothing, except hoping that all our families would be safe even when the lockdown was over.

You have been the most patient and supportive group of parents and carers a school could ever have. We are looking forward to a better 2020-2021 as we have lots of exciting things planned for our students.

So from all the members of our school a BIG THANK YOU!

This week I will proudly say that you are all SUPERSTARS. All the children who have been working incredibly hard right throughout the lockdown and after. You have lived out the true meaning of our school's mantra showing 'success in everything you do'. Yes, there were difficulties for many who did not have the IT resources but you 'persevered to make dreams come true'.

When many realised there was no teacher standing beside them daily, they knew they had to trust themselves to work at their best even when no one was watching them, with 'integrity' and honesty. It was so amazing to have some of our children reaching out to their teachers when they were finding some of the activities too hard being so resilient as they competed as stars.

The independent workers were uploading on a daily basis, which meant that they were still keen to achieve. You are definitely stars, your thoughtfulness of others in our school community knows no ending, as you sent messages to your friends and teachers expressing how much you missed being around them.

So to all our stars from Nursery to Year 6, well done for all your hard work this year. Enjoy your summer holiday.

### THANK YOU FROM MISS WHITE

Ms White have not been with us at school since early February because of a bereavement but she returned during lockdown. Unfortunately, she was unable to return when we reopened in June due to a serious illness.

She would like you to know that she is recovering very well and is more than grateful for your gifts, kind words and prayers.

She would like to wish our Year 6 children all the best in their new schools. Hopefully she will be well enough to see everyone when we return in the new term.
