**TUES 24<sup>th</sup> WED 25<sup>th</sup> and THURSDAY 25<sup>th</sup> NOVEMBER: PARENTS EVENING** via PHONE CALLS.

## SAFEGUARDING MESSAGE FROM BRAINTCROFT.

Emotional abuse and neglect (like all forms of maltreatment) have an extremely damaging and corrosive impact on children's long-term life chances, but only sometimes come to light through a "crisis" incident or injury.

## OUR STUDENTS WERE BRENT 'BIN IT' COMPETITION WINNERS!

Diwali is a holiday celebrated by a number of religions, representing the spiritual victory of good overcoming evil.

The festival is largely linked to Lakshmi - the goddess of prosperity. Though the holiday is mostly associated with Hinduism, millions of Sikhs and Jains from all over the world also celebrate it.

Every year, **Diwali** is celebrated during the Hindu Lunisolar month of Katrika. This falls between mid-October and mid-November. Diwali is festival of light.

We raised £645.70 for this charity,  
Thank you!

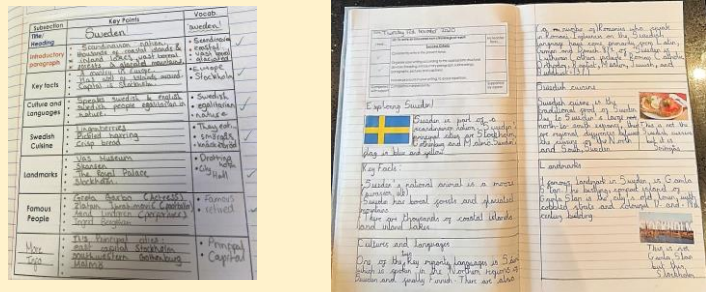

Monday 16<sup>th</sup>  
November is odd socks day. Wear 2 different colour socks to school.

**SUCCESS** in everything we do, **PERSEVERANCE** to make dreams come true. **INTEGRITY** and honesty that is who we are, **RESILIENCE** to stretch and reach for the stars. **INDEPENDENCE** to make decisions to learn and grow, **THOUGHTFULNESS** of others The **SPIRIT** we all know

This week our featured year group is **YEAR 5**

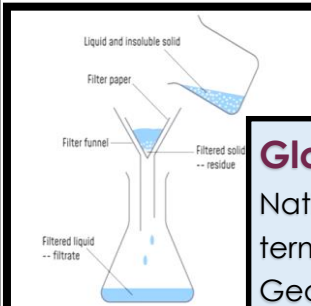

**Writing** Year 5 have been writing non-chronological re-ports about Sweden. We have researched facts at home, so that we have a good amount of information for our plans and non-chronological reports.

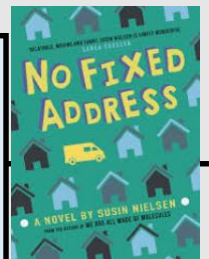

**Reading** We have started to read a fiction book which is called NO FIXED ADDRESS. The main characters of this text are a boy named Felix and his mum called Astrid.

So far, we have learnt that Felix and his mum have found themselves being interrogated, inside a police station. Where it is discovered by a police constable that Felix has "No Fixed Address." Felix then goes into a flashback to explain just how him and his mum became homeless and found themselves to begin living inside a van more permanently.

**Science:** We have been learning about different materials and we were very excited to carry out our own investigation to see what material would make the best super hero cape and why?

**Global Goal** Our United Nations Global Goal focus for this term is: NO POVERTY. In Geography, we have learnt so much about how slums are directly related to poverty and deciding whether slums should be demolished or upgraded.

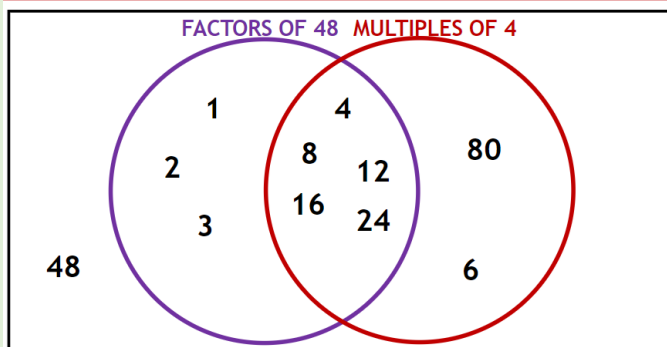

**Maths:** We love TTRS and practise times tables often. Every Friday, we complete a times tables worksheet to check our progress. Year 5 pupils are improving!

In lessons, we have started our multiplication and division unit.

We have been learning all about multiples and factors!

Which numbers have been incorrectly sorted?

**Factors of 18**

## Children in Need Jerusalema Dance Challenge
