**Remote Learning/Live Lessons via Microsoft Teams and in school learninf begins at 9am every day.**

On Monday, we are expecting that all pupils from Year 1 to Year 6 who are at home, will log on to Microsoft Teams for their live lessons with their teachers.

Please ensure that the children are up and ready for the 9 am start. It is not a school holiday so the class teachers will do a register between 9 and 9:15. If your child is unable to join, please call the school and inform us of your reason for not joining. Nursery and Reception children should continue with their learning until they are informed to join the live lessons.

**Creative Remote Learners uploaded their work**

**IT IS A BRAND NEW YEAR WITH NEW CHALLENGES BUT WE ARE OKAY!**

We are taking this opportunity to wish you all a prosperous 2021. As always, as the Braintcroft family, we will find positives from every negative situation.

The government recently announced the closure of schools for most children. As a school we still have a responsibility to ensure that learning is still taking place whether our children are at home doing remote learning or if they have valid reason to attend the physical school. We have informed you about how to connect the children to the live lessons via Microsoft Teams, if your child is working from home. If you still do not understand how to get your child connected to Microsoft Teams, you MUST contact your child's teacher on DOJO and inform them or call the school to inform us. We are aware that some families are not engaging in any of the learning but it is your legal duty to ensure that your child is still receiving education. If you truly do not have a laptop or tablet and this is your reason for not uploading work or connect live, you should call the school. You should not send children in because it makes life easier for you, do the right thing and act truthfully and honestly.

**OUR SCHOOL MANTRA:**

**SUCCESS** in everything we do, **PERSEVERANCE** to make dreams come true. **INTEGRITY** and honesty that is who we are, **RESILIENCE** to stretch and reach for the stars. **INDEPENDENCE** to make decisions to learn and grow, **THOUGHTFULNESS** of others The **SPIRIT** we all know

Last year we had lots of interesting events and learning!
