 Another week of fantastic work from our amazing SUPER STARS from Nursery to Year 6. You are AMAZING!

WE ARE PRAISING YOU FOR ALL YOUR EFFORTS, YOU ARE AMAZING!

The week was filled with changes and adjustments but you once again pulled through.

Unfortunately, three of our pupils contracted Covid-19 and we had to send home their year group bubble that was in school. Luckily they were able to join the online learning and caught up with their teachers.

Reflecting on your live lessons, we are doing fairly well but there are things that we are trying to learn and improve daily. Please remember this form of teaching is also new to our pupils, but also to many of our teachers. You can imagine how anxious they might be, having to teach in front of so many parents. We cannot thank our teachers enough, as they are prepared every day to impart knowledge to our children to ensure that their learning continues. If you are in contact with other parents whose children are not joining the online lessons, please encourage them to do so or to call the school's office, or contact their child's teacher on class dojo.

For the live lessons we are hoping to get all our pupils from Nursery to year 6 involved as we can see the positive impact of having our children still connecting with their class teachers. We thank you!

THE CHILDREN WHO WERE RECENTLY SENT HOME FROM RECEPTION BUBBLE WILL RETURN ON MONDAY 25TH, YEAR 6 WILL RETURN ON TUESDAY 26TH AND YEAR 3 WILL RETURN ON 1ST FEBRUARY!

If your child is feeling unwell, please do not send them to school. If anyone is tested positive for covid, all the members of your household should follow government's advice, stay home and self-isolate
