Mental health problems affect about 1 in 10 children and young people. They include depression, anxiety and conduct disorder, and are often a direct response to what is happening in their lives.

Children's Mental Health Week is taking place on 1-7 February 2021. This year's theme is Express Yourself

Expressing yourself is about finding ways to share feelings, thoughts, or ideas, through creativity. It is about finding a way to show who you are, and how you see the world, that can help you feel good about yourself.

As parents and carers, you play an important role in your child's mental health. Check out the free resources in the link below

We will continue to teach online as the government have recently stated that the earliest time schools will reopen is March 08th. This therefore means that lessons and assemblies will be conducted online for majority of our pupils. Senior Leaders have been joining different lessons and I must express how pleased we are as a school to see your engagement and involvement in the lessons. Every year group from Nursery to Year 6 is now connected to live lessons. Well done to you all!

OUR SCHOOL MANTRA:

SUCCESS in everything we do, **PERSEVERANCE** to make dreams come true. **INTEGRITY** and honesty that is who we are, **RESILIENCE** to stretch and reach for the stars. **INDEPENDENCE** to make decisions to learn and grow, **THOUGHTFULNESS** of others The **SPRIT** we all know
