Our new Nursery children are settling in!

I hope you have had an enjoyable summer. The children have certainly had lots of exciting stories to share. Welcome to our new children and their families who are settling in really well, we hope they will continue to enjoy their time at our school. We look forward to working with you.

Only one member of staff retired last term, so it is great to have all our staff back with us who knows and understand our children, as well as our routines, rituals and expectations.

This is going to be an exciting year for us, as the Covid rules are now more relaxed. We will be having interesting visitors in our school, go on educational fun trips, have events at school and most of all, an opportunity to interact with parents, carers and other members of our school community.

It is just great to be back!

OUR SCHOOL MANTRA:
