## Anti- bullying Month Posters

Thank you to all those pupils who designed posters for the Anti bullying poster competition.

The messages were quite clear- bullying is not tolerated at our school.

Bullying is behaviour that hurts someone else. It includes name calling, hitting, pushing, spreading rumours, threatening or undermining someone. Next week we will show you some of the anti-bullying posters of our pupils.

## Thursday the 11<sup>th</sup> of the 11<sup>th</sup> Month is

**Armistice Day** Armistice Day is on 11 November and is also known as Remembrance Day. It marks the **day World War One ended**, at 11am on the 11th day of the 11th month, in 1918. ... Remembrance Sunday is also marked each year; this falls on the second Sunday in November.

Our red poppy is a symbol of both Remembrance and hope for a peaceful future. Poppies are worn as a show of support for the Armed Forces community.

The poppy is a well-known and well-established symbol, one that carries a wealth of history and meaning with it. Wearing a poppy is still a very personal choice, reflecting individual experiences and personal memories. It is never compulsory but is greatly appreciated by those who it is intended to support.

We will observe a minute of silence on Remembrance Day at 11am. On Monday at 10 am, a visitor will join us from the Royal British Legion for an Assembly to broaden our understanding about Remembrance Day. All pupils will participate in our assemblies.

## OUR SCHOOL MANTRA:

**SUCCESS** in everything we do, **PERSEVERANCE** to make dreams come true. **INTEGRITY** and honesty that is who we are, **RESILIENCE** to stretch and reach for the stars. **INDEPENDENCE** to make decisions to learn and grow, **THOUGHTFULNESS** of others. **The SPIRIT** we all know

### RIGHTS RESPECTING SCHOOL

At Braintcroft we are working towards becoming a Rights Respecting School and to achieve our Bronze Award. Each week, the children will be talking about a article chosen from The United Nations Convention on the Rights of the Child (UNCRC). We will upload weekly articles onto ClassDojo so you can continue the discussions at home.

### Our Curriculum

Our curriculum is designed around three core principles: knowledge rich, vocabulary rich and our six global themes (***Social Justice and Equity; Identity and Diversity; Sustainable Development; Peace and Conflict; Human Rights; and Power and Governance***). It also provides the cultural capital that they will need to be successful in learning as well as in their future lives

### OUR COMMUNITY HUB OUTREACH

Now that the school is re-open to the public, we will continue with some of the work that we usually do with parents before the pandemic.

Our Family Liaison team and Admin team will be in contact with parents as we restart our ESOL class (English class) We would like parents who are interested in joining the English classes to speak to the Receptionist or any member of the Admin team.

As a school, we would like to support members of our community in any way we can. We will be launching our Parents Teachers Association (PTA) as part of our Parent Hub Outreach. Message about meeting dates will be sent to you soon. When schools and their communities work together the outcome is usually GREAT. Let us continue to work together for the benefit of our children.
