SAFEGUARDING- SQUID GAME

Squid Game is a South Korean television series streaming on Netflix. The plot centres on a group of adult debtors, thieves, and gamblers competing against each other in a series of childhood games for a grand cash prize. However, there is a dark twist to these seemingly innocent games – losing competitors are violently killed off in ways that grow more twisted as the games grow more intense.

Currently, Squid Game has a rating of 15+ as the visual content includes high levels of gore, death, violence, and physical assault. It also has graphic depictions of suicide, murder, and sexual assault.

Children and young people are likely to know about Squid Game via word of mouth and social media/gaming platforms. They may be unaware of the extent of gore, death, and violence the show contains. **SPEAK TO YOUR CHILDREN!**
