Another week of fantastic work from our amazing SUPER STARS from Nursery to Year 6. You are AMAZING!

Reading is a priority in our school

We are aware that English is not the main language spoken in many of our children's homes. However, our children are reading and speaking English at school and should be encouraged to do the same at home.

Please encourage your child to read at home as they are taking reading books home every day. Reading improves their vocabulary and language skills. Our children learn new words as they read, which also helps them in their writing and other subjects. Every child should be reading at home and getting their reading records signed.

Pupils should wear PE clothes to school on their PE day.

Some of our parents have asked that pupils wear the PE kit to school instead of changing in class. I am therefore expecting that everyone in the class that has PE, wears their PE clothes (red shirt and black jogging bottoms) to school. The class must still look uniformed on their PE days.

UPCOMING ACTIVITIES

30th Jan – 6th Feb -National story telling Week

Fri 11th Feb- Science assembly- Women and Girls in Science

Fri 11th Feb- **Healthy Community Day-Parent Meeting and Last day of term.**

Feb 21: School Reopens

DO NOT BOOK HOLIDAYS DURING SCHOOL TIME.

It is required by law that children attend school during school time. Children are given holidays during the year and should not miss out on valuable learning time when school is in session.

Absences will not be authorised when children are meant to be in school. We will report families who are consistently keeping children away from school without valid reasons.

SUCCESS in everything we do, PERSEVERANCE to make dreams come true. INTEGRITY and honesty that is who we are, RESILIENCE to stretch and reach for the stars. INDEPENDENCE to make decisions to learn and grow, THOUGHTFULNESS of others The SPIRIT we all know

BRAINTCROFT CURRICULUM

Our aim is that pupils will become global citizens who are empowered to achieve the best they can in an ever-changing society.

Big picture

Six global themes run through our humanities curriculum, and other subjects. These themes are linked to the United Nations seventeen global goals, which enables pupils to think critically about world issues and develop an awareness of impact our own actions can have on others.

THE GLOBAL GOALS

Our Curriculum is

Knowledge rich

Vocabulary rich

Our Curriculum has

Global themes
