YOUR RESPONSIBILITIES AS PARENTS TO PUPIL'S IN OUR SCHOOL

We want to work with parents to ensure that all pupils are given the opportunity to develop their full potential. Our expectations are that, in order to fulfil their duty to educate their children, parents will:

- ensure that their children attend school every day.
- take an active interest in their children's education, and to support their children by discussing their progress with them.
- try to avoid taking family holidays during school time.
- encourage their children to get to school on time, and to take appropriate parental responsibility for the safety of their children in the journey to and from school.
- support their children and school staff in complying with the school rules and code of conduct.
- support school staff in their efforts to deal fairly with all children.
- refrain from criticising school staff in front of children.
- help their children to see school-related issues from the point of view of other children and school staff.

At Braintcroft, we fully support the UN Convention on the Rights of the Child and are committed to the rights of each child and young person in our care. Please speak to the class teacher, TA's, office staff, the Headteacher, senior leaders, the Designated Safeguarding Lead (DSL) or anyone from our Safeguarding team if there are any concerns.

HAVE YOU BOOKED AN APPOINTMENT FOR PARENT'S EVENING?

Tuesday the 15th to Thursday 17th March, we will hold our Parent's Evening. Please book your Parents Evening appointments as you will be able to have face to face meetings with your child's teacher. The appointments will take place in your child's classroom.
