## WE ARE USING PARENT PAY FOR ALL PAYMENTS

We are no longer collecting money/cash at our school. We have been trying to collect and manage payments for meals, clubs, trips and more through PARENT PAY. Unfortunately, only 28% of our parents have signed up, hence the reason we started taking cash again to get all our children involved in activities.

This cannot continue, as our staff need to use their time to do other important and impactful things than counting money.

PARENT PAY IS A SIMPLE, SAFE AND EASY WAY TO PAY.

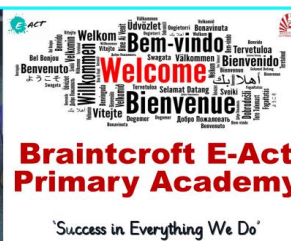

So whether your child has a school meal or not your account will need to be activated, because without an account your child will not be able to attend school trips.

Letters are sent home with the information you need to help you activate your Parent Pay account.

If you do not receive a letter, that means you already have access to your account.

We are here to help, so please contact the school office if you have any trouble logging in or have any other questions.

Cash will only be collected when we have charitable events.

## LEARNING IS FUN AT BRAINTCROFT!

Our curriculum is exciting. If you ever get a chance to walk through our school, you will probably see Nursery children indoors or outdoors engaged in meaningful learning activities with their peers and staff. Visit our Reception classes to see focussed learning as our pupils work with staff and their peers doing focussed activities that they enjoy in their groups. Ask your child about what they are learning about in maths, reading, writing, science, RE, history, PE, music Spanish, Art, DT and you may be surprised to hear the wealth of information that they are able to share you. One of the most adorable things about our pupils is how they enjoy talking about their learning.

Mother's Day gifts were made by children in many year groups to wish all mothers, **HAPPY MOTHER'S DAY!**

## PHOTOS OF THE WEEK!

### MOTHERING SUNDAY IS THIS SUNDAY 27<sup>TH</sup> MARCH.

Since Friday's assembly with Ms Kahlon, pupils were excited about the things they wanted to do for their mothers on Mother's Day.

My personal thank you to Nursery and Year 1 pupils who made cards and that assembly from Year one pupils who had me singing my own made up Mother's Day song.

**We are wishing all mothers a HAPPY MOTHER'S DAY!**

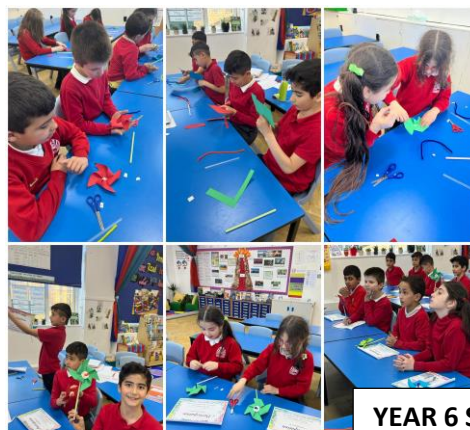

Our Year 1 pupils made pizza at Pizza Express this week.

Year 3 visited Wenbley Stadium

It was the last Science Club with year 4 this week. Year 3 will now get their chance to do some of the fun activities.
