

JEANS FOR GENES DAY was a success as we raised over £300 for the charity. Thanks to those who contributed a pound towards this non-uniform event. The pupils had an assembly where they learnt about adults and children who are living with genetic diseases such as sickle cell, Huntington's disease, cystic fibrosis and others. Our next event is the Harvest Celebration on Friday 7th of October. "Bring a Tin of Food Day"

BRAINTCROFT E-ACT PRIMARY ACADEMY

On Friday 7th October, Pupils should bring food (tinned or packaged food) to contribute to their Class Harvest presentation.

Harvest reminds us of all the good things that were given to us. We want to teach children to share with others who are not so fortunate.

In schools and in Churches, people bring food from home to a Harvest

The food will be put on display then be made into parcels and given to people in need.

FRIDAY the 7th October is OUR HARVEST DAY- BRING A TIN or PACKETS OF FOOD THAT WILL NOT EASILY SPOIL FOR CHARITY

ATTENDANCE AND PUNCTUALITY!

This year, families will be reported and/charged £120 for unauthorised absences in some instances. Attendance Officers and senior leaders will be visiting homes of some parents who call in to report that pupils are sick. PLEASE BOOK APPOINTMENTS IN MORNINGS or EVENINGS so that pupils can still attend school on an appointment day, for them not to be fully absent from school on the day. Punctuality to school is also important. We open our gates at 8:30am and will close them at 8:45 when lessons begin. Absences will not be authorised if you book early flights and take children out of school for holidays, you will be reported to Brent Council and charged.

NURSERY CHILDREN ARE BACK!

READING AT HOME IS IMPORTANT

Reading is a skill we continue to develop throughout our lives, but starting this process as early as possible has significant benefits for our continued success as readers. This is why, as parents and carers, you play a vital role in supporting your child in becoming a fluent reader who is confidently able to apply their reading skills across all areas of their lives. The teaching of reading and reading comprehension within the classroom is only part of a child's learning, and the value that is given to reading at home is equally important. Research suggests that children who read regularly outside of school perform significantly better in school assessments and so your support at home is essential in ensuring that your child makes the progress they are capable of. You can help your child to achieve their full potential by listening to them read daily (for about 15 minutes), reading regular bedtime stories and by encouraging them to enjoy reading and sharing books together. Reading widely through all of these approaches will help develop your child's vocabulary, which in turn will make them more confident when reading more challenging books.

It is only September and we are already buzzing with exciting learning and activities.

Breakfast Club will be back on Wednesday and Coffee Morning for parents is this Wednesday morning also.

READING IS A KEY PRIORITY THIS YEAR!

Luiz with his new Walker and Mohamed relaxing!
