**HARVEST FESTIVAL**

On Friday 7<sup>th</sup> October, Pupils should bring food (tinned or packaged food) to contribute to their Class Harvest presentation.

Harvest reminds us of all the good things that were given to us. We want to teach children to share with others who are not so fortunate.

In schools and in Churches, people bring food from home to a Harvest

The food will be put on display then be made into parcels and given to people in need.

**FRIDAY the 7<sup>th</sup> October** is OUR HARVEST DAY - BRING A TIN OR PACKETS OF FOOD THAT WILL NOT EASILY SPOIL FOR CHARITY

## ATTENTION RECEPTION PARENTS!

Over the past few weeks we have arranged home visits, staggered entry and encouraged parents to come on to the premises to settle reception children in their new class. Since we entered week four, our transition process is for pupils to be taken from the gates, to their classroom by reception staff members, who they know, so that they can become confident and well settled in school. This lets them understand the routines and helps build closer relationships with staff who will support their learning. Safeguarding is our number one priority and reducing the number of adults on site allows us to keep all children safe. Senior Leaders are on the gates every day to support safeguarding. Thanks for understanding

## RECEPTION CHILDREN!

## INTERNET SAFETY AND ROBLOX GAME!

### Top tips for parents

Whatever gaming sites your children use, our advice remains the same. It is important to have a conversation with your child about the sites they use and carry on having open discussions. This will encourage them to come to you with any concerns they may have.

Involve your child in discussions and decisions about online safety and their internet usage. This will help them understand the importance of staying safe whilst having a great time online. It will also help to educate them about how they can keep themselves safe online and know what to do if something goes wrong.

## RECEPTION IN ACTION
