#### World Book Day was a Success. Looking Forward to our Careers Week!

As we try to build a Reading Culture in our school, we celebrated World Book Day like a Festival. Everyone was excited to participate in activities on the day. Classrooms were transformed into amazing reading rooms, pupils and staff dressed up as book characters, book displays were present around school, pupils read to everyone, staff and parents also contributed further by reading to pupils even in different languages.

Reading has always been a key focus of our school and this type of event that focuses on reading will not be the last. Well done to those pupils who were selected to receive vouchers for their efforts in reading and getting their reading records signed by an adult daily.

Many thanks to our Reading Leader Mr Phillips and all our staff, pupils and parents who helped in making the day a success.

#### **CALLING ALL WOMEN!**

Wednesday the 8<sup>th</sup> of March we will be celebrating the women in our school community, female teachers in our school, mothers, sisters, aunts or cousins who are women. You are all invited in our school from 9.15 am to 11 am to relax, have a cup of tea, or be treated with a massage, nail polishing, make up, henna and messages and presentations from our children. This is a good time to have relaxing conversations with staff or other women from our school community. if there are parents (women) who would like to help us on the day, feel free to contact me or any of our Admin staff about what you can offer on the day.

Wednesday is International Women's Day, so no men are allowed in the hall that we will be using.

Dads and lads will have their special day in June.

I am hoping to see the lovely women of our Braintcroft family on the day.

Looking forward to your support.
