YEAR 6 SATs IS IMPORTANT!

Year 6 SATs results are used to measure both the school and each child's progress and achievements in maths, spelling, punctuation & grammar, plus reading. The results show the progress between Year 2 and Year 6, which is really important to show what children have learnt in English and Maths.

KS2 SATs will take place between Tuesday 9th May 2023 – Friday 12th May 2023. Over this period pupils will sit 6 different tests, with English normally taking place at the beginning of the week and maths at the end. We will provide FREE BREAKFAST for all Year 6 pupils during their SATs week. Please ensure that they are all at school for 8:00 am breakfast. Please continue to put the effort in, attend school every day, read and revise as you will appreciate the results of your hard work.

Do you have children who are eligible for Nursery places? Please call the office and book an appointment to speak to someone about getting your child into **Nursery or Reception in September**. Our wonderful EYFS team are the best!
