Success in Everything We Do!

Friday 22nd September, 2023

We are officially introducing you to our Senior Leadership Team with some familiar faces and our new additions.

We have had the opportunity to bolster our SLT team with a new SENDCO and SAFEGUARDING LEAD.

We also have other members of staff who have taken on additional senior roles as part of their professional development in Wider School Leadership and will be introduced to you soon.

Headteacher: Ms Rosewell. Dep. Head: Mr Goma. Asst. Head Ms Cyrus
Asst. Head: Mr Edwards. Asst Head Ms Kahlon. Asst Head: Ms Zekiri

OUR KEY PRIORITIES THIS YEAR

We will continue to provide a safe and **inclusive learning environment** where **high quality education** is delivered with effective teaching strategies and regular assessments to monitor our pupil's progress.

Attendance: We cannot achieve success as a school family without good school attendance. **Our attendance target is 97%** this year and we will be vigilant in ensuring that our children are not staying home when they should be in school, as required by the government.

Reading: We will have a greater focus on reading and phonics this year. It is no longer an excuse that majority of our children do not speak English at home, the official language in England is English. We will be pushing for children to read more at home, so please ensure they are off their games, and are reading instead.

We Have Started our Adventure!

Dear Parents, Guardians, and Students,

Welcome back to our newsletter, the first one for the new school term. We were thrilled to welcome both familiar faces and new members to our wonderful school community this year.

As our new season of growth and learning begins, we want to express our commitment to providing a safe, nurturing, and stimulating environment for all our students. Our dedicated team of educators and staff have been working tirelessly to prepare for the school year ahead, ensuring that every child's individual needs are met and that they have the opportunity to do well academically, socially, and emotionally.

Each day has been filled with new discoveries, challenges, and opportunities for personal growth. Our goal is not only to educate our students, but also to inspire them, to ignite their curiosity, and to instil a passion for lifelong learning.

We have already had our MEET THE TEACHER afternoons, where we have laid out our plans and expectations for the year ahead.

We have started a Saturday School from 10am-12pm for a selected number of pupils, to improve their phonics, reading and spelling as it is our duty to help.

We are happy our pupils have settled back into their routines and have embarked on their new adventure for this school year.

Ms Rosewell

OUR SCHOOL MANTRA:

SUCCESS in everything we do, **PERSEVERANCE** to make dreams come true. **INTEGRITY** and honesty that is who we are, **RESILIENCE** to stretch and reach for the stars. **INDEPENDENCE** to make decisions to learn and grow, **THOUGHTFULNESS** of others. The **SPiRiT** we all know.
