Year 6: **QUARTZ:** Eilin and Ali G, **TANZANITE:** Fatima and Isaac, **LAPIS-LAZULI:** Rabeegh and Juri for really persevering with their studies.

YOU ARE INVITED TO ASSIST IN OUR CAREERS DAY AND WORLD BOOK

We have these upcoming events that we would love to see you contributing to, to make them successful as usual.

Are you in a job that you would like to speak about and answer questions from our children? Please let Ms Rosewell or your child's class teacher know that you are willing to share details about what you do, during our career's week from 5th -8th of March, whether via zoom or in person. What is your job about?

Is it something that you would encourage others to do?

Do not hesitate to reach out to Mr Carter, class teachers or me.

Our World Book Day Activities Day is on Thursday the 7th of March. We will have authors in school, as well as a day packed with activities that can motivate children to read. However, every year we ask our parents to volunteer to READ TO OTHER CHILDREN AT SCHOOL. We are inviting you in again to come with a book of your own, or we can supply one for you to read to any year group of your choice.

Last year we had some parents in, and this was a success on the day. Please speak to Ms Rosewell, inform the office, or class teachers if you are interested in reading at school on our World Book Day.

Dear Parents,

We are thrilled to announce an upcoming month filled with exciting events that promise not just fun, but also valuable opportunities for our students. Firstly, we are overjoyed to invite all the wonderful women in our community to a special **Women's Day celebration at the school on March 8th at 9:30am**. It will be a morning dedicated to pampering and celebrating all the amazing women in our lives. Also, we have the **World Book Day Festival of Reading Activities on March 7th**. This event aims to cultivate a love for reading among our students.

We will be hosting a Careers Week, 5th -8th of March, featuring esteemed guest speakers from various professional fields.

Lastly, we will be participating in **Red Nose Day, Friday 15th of March**, a charitable event aimed at raising funds for a good cause. It is a wonderful opportunity for our students to come together, have fun, and contribute to a meaningful charity effort. We are looking forward to a term filled with laughter, learning, and giving back to the community. We hope to see all parents and students actively participating in these events and making lasting memories together.

On any given day, we can enjoy science, drama or just walking around.

Braithcroft E-Act Academy Newsletter

Easter Holiday

Friday 29 Mar to Friday 12 April 2024

Attendance Matters

We have booked coaches and tickets for children to attend Chessington Theme Park, as a reward for the amazing attendance that we have been having recently.

We have also re-ordered vouchers for our 100% attendees, for those who were owed last term and for those who are still in the running to receive vouchers for their excellent attendance to date.

We will be having hot chocolate with the Headteacher again this week and teachers will select students from their class to visit Ms Rosewell's office to have a casual conversation with her

Please ensure that your child is attending every day. Book your appointments during hours when the children can still come into school and not miss their learning and attendance mark.

DO NOT BOOK HOLIDAYS DURING SCHOOL TIME. THIS NEEDS TO STOP. Everyone would like cheap holidays, but we have a legal duty to ensure children are at school during school time.

IT IS GARDENING TIME AGAIN!

We are kindly asking for donations of seeds, simple garden tools or gloves for our annual garden project.

Please give your packets of seeds to the students so that they can give to Ms Rosewell or their class teacher.

Our children enjoy gardening, we do not want them to miss out this year, due to lack of funding.
