## CELEBRATING DIVERSITY AND COMMUNITY AT OUR SCHOOL

As we reflect on the events that have unfolded since the start of the term, it is evident that our school community has been buzzing with activity and excitement. From showcasing the rich tapestry of cultures on International Day to promoting oral health awareness through dental check-ups with professionals from Brent, and fostering special bonds between fathers and their children on Dads and Lads Day, our school has truly been a hub of diverse experiences and meaningful connections.

As we look forward to the rest of the term, let us carry forward the spirit of unity, health awareness, and familial bonds that these events have instilled in us. Together, we can continue to build a thriving and inclusive school community that cherishes diversity and values meaningful connections.

Stay tuned for more engaging events and initiatives that aim to enrich the lives of our students and families. Thank you for being a part of our journey towards excellence and community spirit.

## Oral Health Checks!

The oral health checks conducted by dentists from Brent were a valuable initiative aimed at promoting the importance of dental hygiene among our students. The sessions not only ensured that our students' oral health was in check but also educated them on the significance of regular dental care.

## THANK YOU TO THE MEN IN OUR SCHOOL COMMUNITY!

Dads and Lads Day was a heart-warming occasion that brought fathers and their children closer through various interactive activities and bonding experiences. It was truly heartening to witness the strong paternal presence and the joyous interactions between the fathers and their little ones. We invited our dads, brothers, uncles, step dads, male cousins and male friends of the family to come and interact with their children and relatives at school and they turned up in large numbers. The children were pleased to see the men in school.

Attendance Trip to Chessington is coming up. Please do not allow children to miss out on this!
